Experience

○ **APRIL - JUN 2021**
BONTTON SDN. BHD

Retail Associate

Learned on how to serve the customers and fulfill their needs, answering questions and assist them with purchase decisions, cooperating with other workers, handling new stocks, being a disciplined person as I needed to thumb my print on time and assist in daily store operations. I also needed to arrange the merchandise on shelves and in displays.

○ **JULY - SEP 2022**
LEONG HUP International Berhad

Service Crew

Working as a service crew taught me on how to manage my time, giving an excellent customer service, learning communication skills, problem-solving, proper food handling methods, interpersonal skills, multitasking skills and food preparation.

I also needed to handle the cashier at the same time which taught me on receiving payments and issuing receipts, gift-wrapping packages and keeping track of all cash and credit transactions. I got knowledge of how the cash registers operate.
